Lake Cachuma Old Time Campout

- Weekend of 9 & 10 October 2021. Some will arrive earlier.
- The first possible day to reserve is the same day in April that you want to arrive in October. For example, if you want to arrive Thursday 7 October, the earliest you can make your reservation is Wednesday 7 April. You'll need your vehicle lic plate number.
- We're teaming up to reserve spots in the same area, to create the right vibe. See map on previous page.
 - If you find that you can't attend after reserving, **please do not cancel your reservation.**
 - Instead, contact Steve Owens and he'll find someone to take over your reservation or compensate you as best we can.
- Send Steve an email after you reserve, for event updates and so he knows what's up.
